# Travel Directions

From Fort Frances, Follow Hwy 11 east for approximately 20 miles to Hwy 502 North. Then 594 East to Dryden. In Dryden, take Hwy 17 West to Vermilion Bay. Turn North onto Hwy 105 to Ear Falls. Take 657 East from Ear Falls about 2 miles to Wenasaga Road. Turn left on Wenasaga Road (watch for signs) 1 mile south to South Bay Rd. Turn on South Bay Road - 32 miles to camp.

Woman River Camp is situated in one of the best hunting areas in Canada. World class Black Bear and Moose hunting! Small game abound! We specialize in archery hunting. Within our exclusive hunting areas, Woman River Camp uses a self-imposed limit on the number of hunters. Resulting in exceptional success rates! Ask for details.

## Hunting

Come enjoy some of the finest ice fishing Canada has to offer. Travel to remote lakes accessed by snowshoe or snow-machine. Breath taking scenery, quiet, relaxing, great action and excellent adventure. Guided trips to lakes rarely fished. Let us create a package for you.

## Ice Fishing

# Testimonials

...another great spring trip to Woman River Camp thanks to excellent services provided by Valerie Ann, Debbie and Paul. The spring Northern Pike fishing gets better every year and definitely worth the 3000 mile drive... ~ *The Tennessean*

"From the land of Pella, Iowa - a huge thank you for a great week at WRC. Your facilities were great and the personal touch you put on everything make it a fun time for all and of course, those who caught big fish were super happy."

~ *Jim*

"In the nine years that we have stayed at Woman River Camp, we have always had great fishing and the most wonderful treatment by the friendly camp owners, who have become our friends, too. The beautiful scenery we see on the way there and as we travel by boat on the river and lake system just adds to the awe of the trip. I keep a photo by my desk all year long just to remind me of the good time I will have again next trip." ~ *Al Guyant, Madison, WI,*

"We had a great time at your camp. We really enjoyed the cabins, your hospitality, your willingness to help put us on fish, and all the great running camp boats made for one of the best Canada trips I have been on....I loved the portage lakes....the catch and release opportunities are great and being the only boat on a lake teaming with Pike and Walleyes is really special." ~ *Matt.*

Our group had a great time and a terrific week of fishing. I think we caught more big walleye this year than ever before. I had two days myself where I caught and released 10 or more walleye over 20 inches. And I know my dad really had a terrific time again.... ~ *Steve.*

"I have been coming to Canada for 25 years and finally found the perfect place. I love the remoteness, portages and main lake fishing! You guys run a top notch camp...especially looking after the little things. Can we book now to be sure of a cabin next year?" ~ *Dan*

# Woman River

# Welcome

Debbie, Valerie-Ann, Paul and Timber have owned Woman River Camp since 2002. Construction began in 1973 (I don't think it has stopped). We are continually improving our services and amenities to ensure your stay is a memorable one. Being Canadian, we, well at least half of us are fluent in French. Paul & Timber are still learning! With over 25 years in the tourist industry, we pride ourselves on our hospitality and warm atmosphere. Our guests have become friends and we always enjoy your time at our place, Woman River Camp.

Woman River Camp's unique multi-species fishery offers outstanding fishing for Walleye, Northern Pike, Smallmouth Bass, Yellow Perch, and Lake Trout. Terrific numbers of eater fish and an excellent chance for that trophy of a lifetime! Our waters are easy to navigate and well sheltered for the windiest of days. Jigging, trolling, casting, weeds, humps, points, saddles, current, and drop-offs, the Woman River chain consisting of eleven lakes with a seemingly endless shoreline is a fisherman's paradise! Fish from one of our standard 16 ft. boats powered by new Yamaha 20 Hp 4-stroke or 25 Hp 2-stroke motors. Or upgrade to one of our 17 ft ultra deluxe boats with live-wells, casting deck, bilge, fish finder, powered with a 50HP Yamaha 4-stroke. All boats come complete with safety kit, swivel seats, net, paddles, and anchor. Our equipment is safe, comfortable and well maintained.

## Fishing Adventures

*Thank you for your interest in Woman River Camp. Woman River Camp is a remote drive-in camp located in Northwestern Ontario, Canada. Woman River Camp is off the beaten path, resulting in the best of both worlds - remote and easy to travel to. With 80% repeat guests, few have the chance to enjoy one of the best kept secrets in the north.*

*Pristine, wildlife, solitude, adventure and relaxing are just a few of the incredible attributes of Woman River Camp. Family owned and operated, we specialize in housekeeping and hospitality! The perfect place to do-it-yourself with experienced owners to help along the way.*

*A great destination for a group of guys, husband & wife, or bring the family. We offer the outdoors man, a reasonable rate for an exceptional trip. We go the extra mile to ensure your stay with us is a special one. Let your next wilderness adventure begin at Woman River Camp.*

## Portage Lakes

For the more adventuresome, Woman River Camp has 12 amazing portage lakes. Portages vary in length from a 5 minute drive to a 45 minute hike. Most lakes have the boat & motor already there. Some lakes are catch & release and some we keep fish limits. The end result is still the same - more world class fishing! You can be in the only boat on the lake without flying!

## Conservation Policy

Woman River Camp live releases all Walleye over 18", Northern Pike over 27", Lake Trout over 25" and Smallmouth Bass over 17". There are no trophy fish kept on our waters. The releasing of all larger fish (brood stock) ensures the sustainability of our fishery. Releasing trophies gives you the chance to land a larger trophy next trip! Remember CPR - Catch-Photograph-Release. Woman River Camp's dedication to conservation ensures our world class fishery will remain for generations to come!

## Accommodations

Woman River Camp offers 9 modern light housekeeping cottages nestled amongst the trees and along the water's edge. Spacious and beautifully decorated in knotty pine, our cabins sleep 4-12 guests with our newest built in 2008. Woman River Camp knows the importance of a good night sleep, hot showers and good food. Kitchens are completely equipped with gas stoves, electric fridges and all necessities for you to prepare meals. Each cabin has an outdoor propane cooker along with barbecues in the picnic area. Free to use. Bedrooms are furnished with single beds along with plenty of hooks and shelving to store your belongings. Enjoy the privacy of your own three piece bathroom with flush toilets and hot showers! To save you space, fuel, and the hassle of packing, we provide; pillows, linens, wool blankets, comforters, bath towels, face clothes, dish clothes, dish soap, and of course TP. Cozy up near the wood burning fireplace, or sit out on the deck and relax! Forget the hustle and bustle of everyday life and enjoy a great holiday.
